University of the Highlands and Islands Orkney College

IOSH Working Safely E-Learning

Duration: Approximately 7 hours study time

Cost: £85.00

Qualification:
Institute of Occupational Safety & Health Working Safely Digital Certificate

Target audience:
All people whose work exposes them and others to risk

E-Learning:
Once enrolled you will have access to the IOSH Working Safely Online course for 6 months. During that time you can study whenever is convenient for you. You can dip in and out of the course and can use different computers/laptops/tablets

Aim:

To make workers, at all levels, aware of their responsibility for safety towards themselves, colleagues and others affected by work.

Course Objectives:

Identify the hazards and evaluate risks in their workplace
Use appropriate workplace precautions for specific risks or seek advice on workplace precautions.
Assist managers in preparing written risk assessments
Follow their organisation's Health and Safety Policy
Co-operate and communicate on safety matters
Carry out work activities without risk to themselves or others
Report relevant accidents and incidents
Monitor their own activities and assist managers in active monitoring
