Highfield Scottish Personal Licence Holder E-Learning

Duration: Approximately 5 – 6 hours self-study

Venue: Online

Qualification:
Highfield Scottish Personal Licence Holders Certificate (Level 6)

Aims:
To make sure that licence holders comply with current alcohol legislation in Scotland.

Target Audience

This qualification is aimed at individuals who are involved in the sale of alcohol in both on-sales and off-sales environments.

Course content:

- understanding the 5 licensing objectives
- the legislation relevant to you as a personal licence holder
- the role of licensing boards
- the key roles and powers of statutory bodies
- the differences between personal, premises and occasional licences
- understanding licensing hours and the law
- how to apply to renew a personal licence
- the law regarding underage sales

This e-learning course is available to use on multiple platforms such as tablets, PCs and laptops. All you need is an Internet connection.

On completion of the e-Learning programme you should contact UHI Orkney to arrange a date and time for the exam.

Candidates are required to sit the examination at UHI Orkney.

On successful completion of the examination, you will receive your Scottish Personal Licence Holders Certificate.

Please allow up to 4 weeks for your certification.
