REHIS Elementary Food Hygiene E-Learning

Duration: 6 hours self-study + 30-minute multiple choice examination

Cost: £75

Qualification:

Royal Environmental Health Institute for Scotland Certificate in Elementary Food Hygiene on completion of a 30-minute multiple choice examination

Please note that the REHIS e-learning does not currently work on tablet devices (i.e. iPads).

Aims:

To provide basic knowledge of safe and hygienic methods of preparing, handling and storing food.

Target Audience

Those employed in the Food Industry and involved in any aspect of preparing or serving food. The REHIS Elementary e-learning pack allows candidates to access the training at times convenient to them and work through the course at their own pace.

Course content:

- Food Poisoning and Bacteria
- Types of Food, Contamination and Prevention
- Personal Hygiene and Food handlers
- Food Hygiene and Storage
- Cleaning of Premises and Equipment
- Pests and their control
- Food Hygiene law
- HACCP

On completion of the e-Learning programme, you should download the exam permit and contact Orkney College, a date & time for the exam can then be arranged. On successful completion of the examination, you will receive your REHIS accreditation.

Please note that candidates are required to sit the REHIS examination at Orkney College UHI.

This course is eligible for ITA funding, further information is available at the link below:
